

Columbia Football Booster Club

Friends of the Blue Gridiron, Inc.
<https://columbiafootballleg.com>

Get involved! Help support Columbia Football!

We count on volunteers like you to help make our program successful!

Friends of the Blue Gridiron is a group of parents and community members who work together to promote, develop and support the Columbia High School Football Program and all our players. We are dedicated to providing the resources they need to be successful.

Our activities include fundraising, improving game days by promoting and holding special events, and building school spirit and community support for the football program.

*No effort is too small – Whether it’s a donation, a fundraising idea, an hour of volunteer time, or managing a booster club activity – **your contribution is welcome and needed!***

All parents are expected to participate in at least one activity in addition to the mandatory David’s Cookie Sales Fundraiser
